Note: Genetrack has over 500 specimen collection facilities across Canada. Refer to Collection Location list when completing this form.

SHADED AREA IS FOR LAB USE ONLY

1. To initiate testing, complete this form and submit to Genetrack by Fax at 1-888-655-8877 or mail. Upon receipt, the laboratory will contact the patients directly (unless otherwise specified) with appointment times. Appointments can also be scheduled through the national booking number at 1-888-828-1899.
2. Appointments are approximately 15 minutes in duration. Blood and buccal swab (painless mouth swab) options are available at most locations.
3. Results are available 3 to 5 days after testing begins. All results will be reported as either 0% for paternity exclusion, or greater than 99.9% for paternity inclusion. Results are legal documents.
4. The cost for a complete DNA paternity test is **$580.00 +GST** *(this cost is all inclusive, and includes all specimen collection, transport and laboratory fees).* Please note that this special rate is applicable for all cases ordered through legal counsel.
