SHADED AREAS FOR LAB USE ONLY

1. To initiate testing, complete this form and submit to Genetrack by Fax at 1-888-655-8877 or mail. Upon receipt, the laboratory will contact the patients directly (unless otherwise specified) with appointment times. Appointments can also be scheduled through the national booking number at 1-888-828-1899.
2. Appointments are approximately 15 minutes in duration. Blood and buccal swab (painless mouth swab) options are available at most locations.
3. Results are available 3 to 5 days after testing begins. All results will be reported as either 0% for paternity exclusion, or greater than 99.9% for paternity inclusion. Results are legal documents.
4. The cost to test a mother, child and alleged father (or with a single parent) is: \$480.00 for the DNA test. There is a specimen collection fee of \$50.00 per person for sample collection and transport.
